NATURAL

The finish characteristic of the material that the tiles emulate.

SOFT

A very smooth matt lappato finish on surfaces with a relief texture.

LAPPATO

Semi-polished floor tiles with a micro relief texture and unique shine.

STARLIGHT

Tiles that highlight the luminosity of the spaces, giving a greater sense of elegance.

Pieces that highlight the brightness of spaces, giving a greater feeling of elegance. Tiles that enhance the brightness of spaces, giving a greater sense of elegance. Tiles that concrete the sanctity of the space and a sense of elegance seduce.

VECCHIO

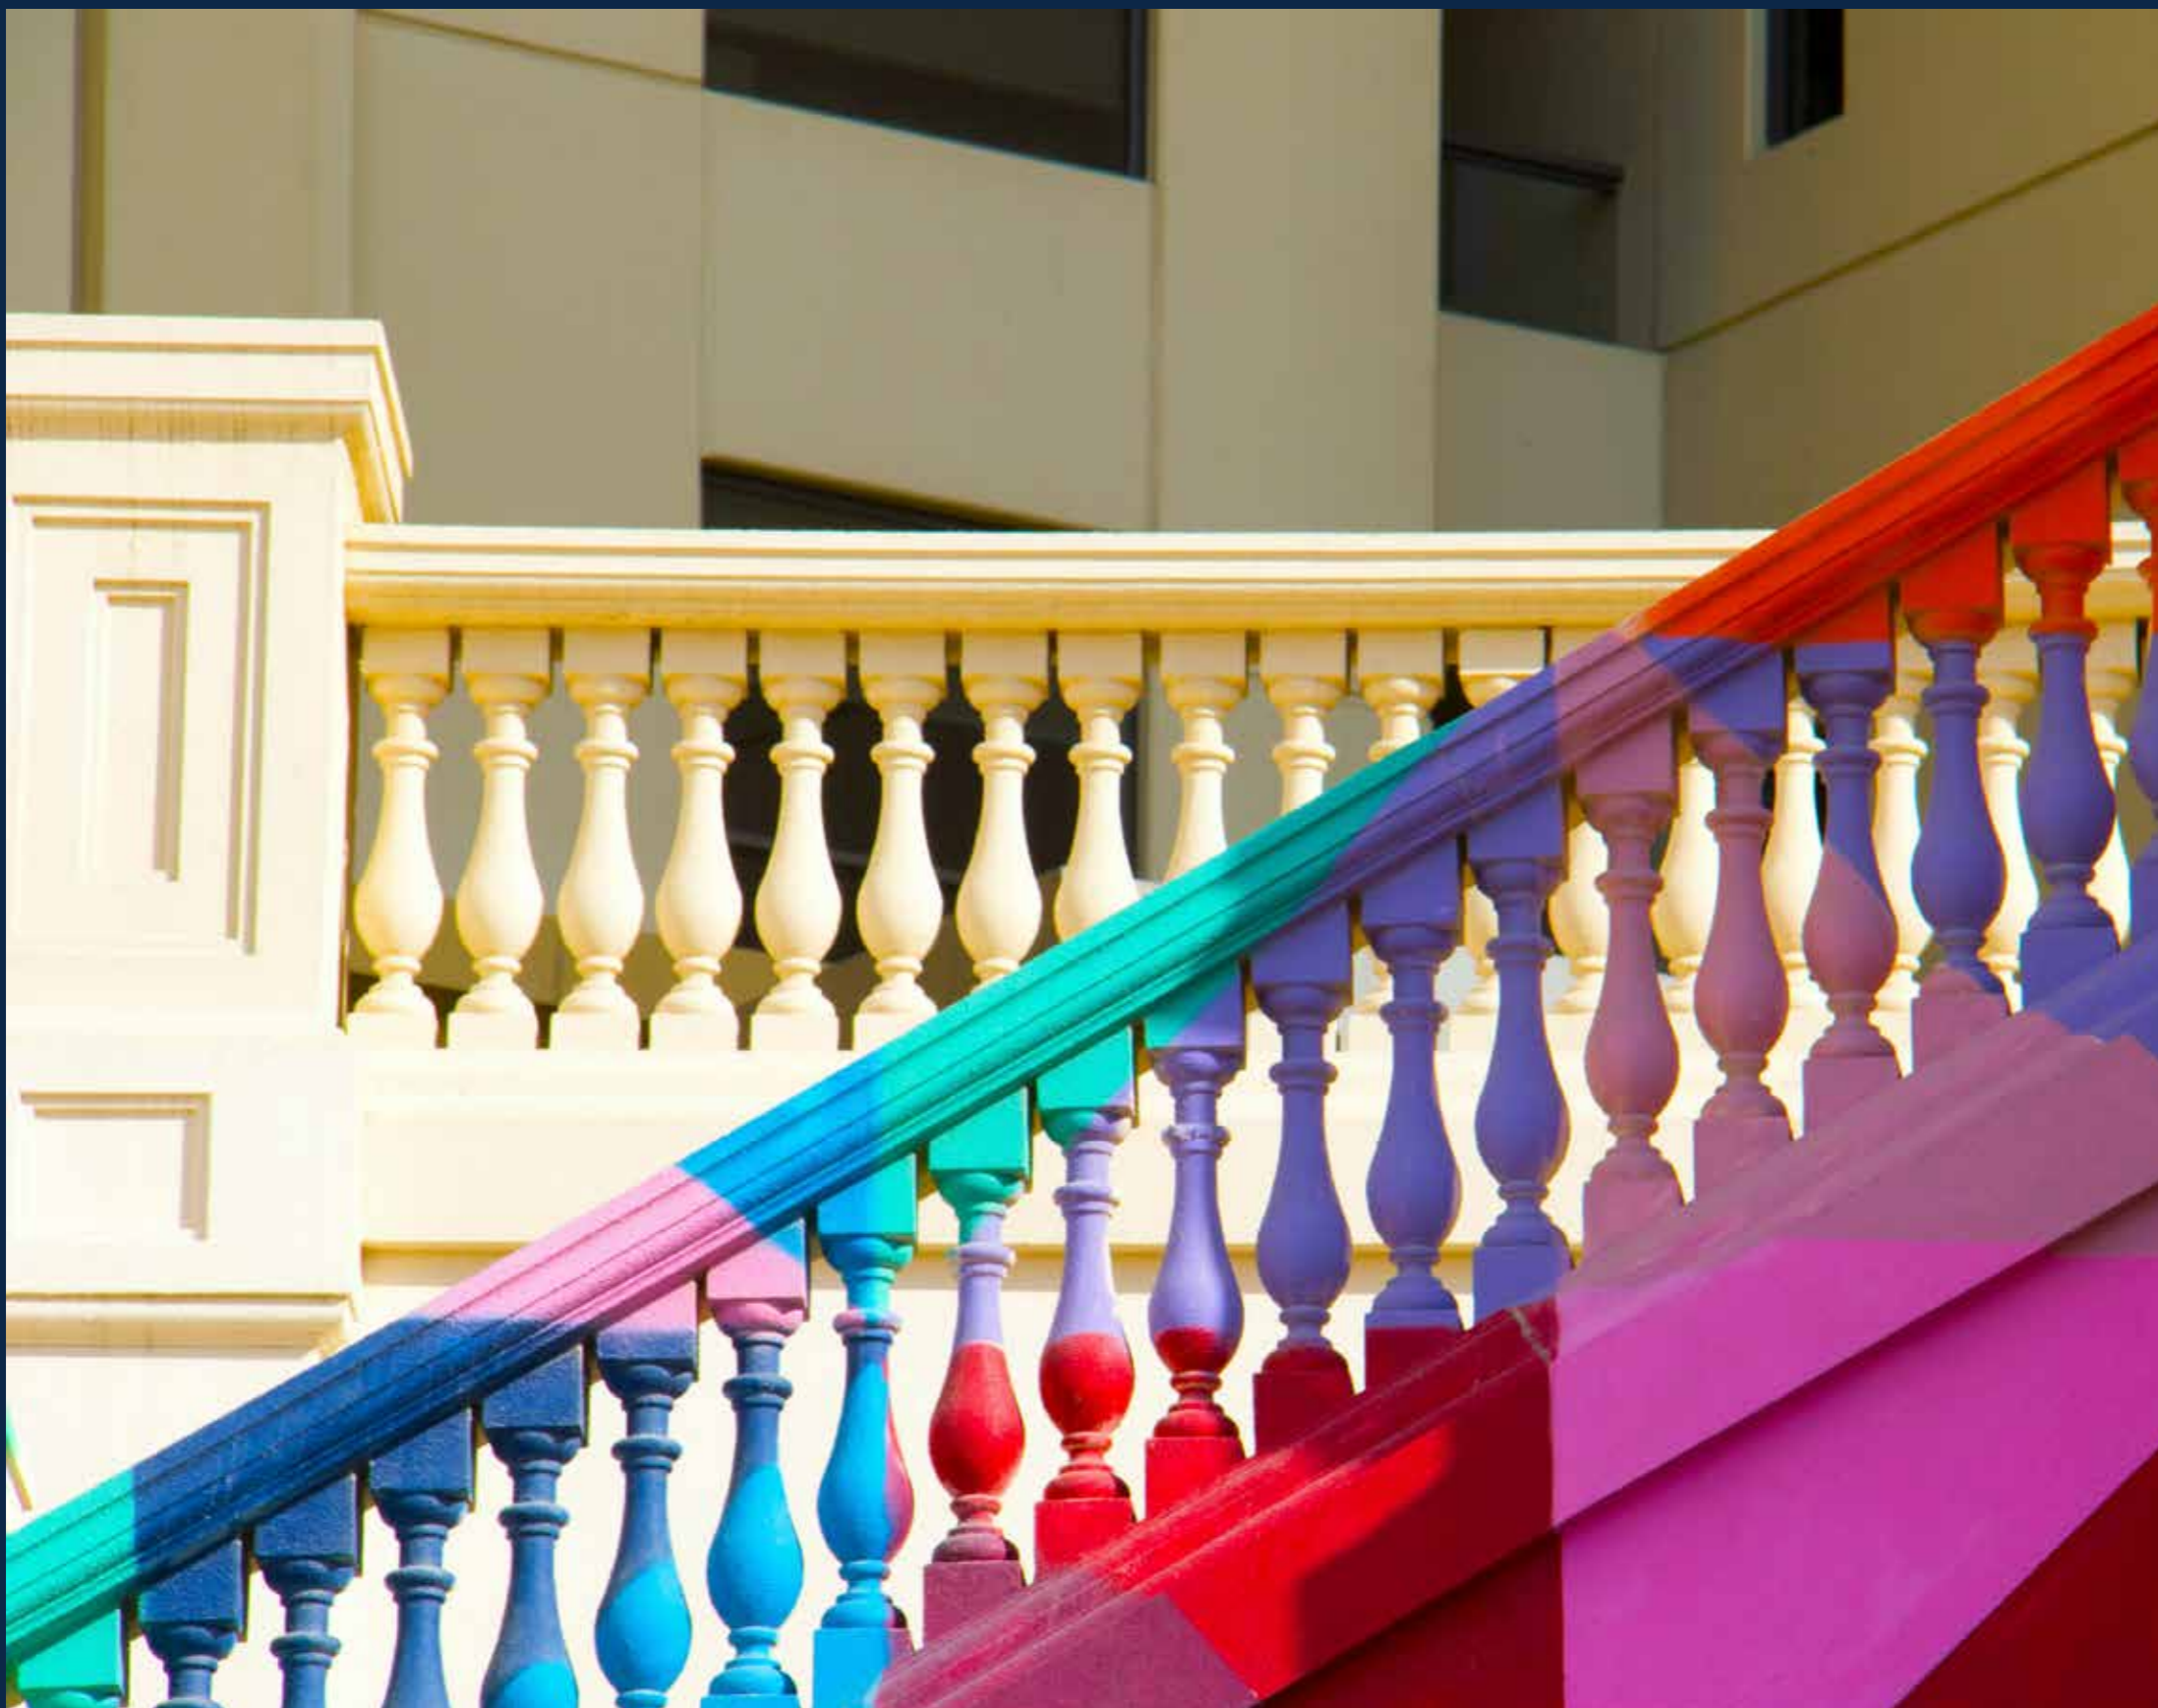

This expressive finish, with a matte aged effect on the surface, evokes materials steeped in history that have endured the passage of time. Its subtlety and movement highlight the details and nuances of everything piece, opening up an infinite range of possibilities. Its natural-looking texture evokes the passing of the years and brings beauty to every space.

This is the perfect option for an elegant surface full of sensuality.

ANTISLIP

Non-slip porcelain tiles, with a roughness imperceptible to the touch.
